RoHS2 declaration

Restriction of the use of certain Hazardous Substances (RoHS2) directive 2011/65/EU

OEP's manufactured products are RoHS2 compliant and meet the requirements of the current RoHS Directive 2011/65/EU.

The banned substances listed below are either not present or below the permitted threshold:

Cadmium	Polybrominated diphenyl (PBB)
Hexavalent chromium	Hexabromocyclododecane (HBCDD)
Polybrominated diphenyl ether (PBDE)	Bis (2 – ethylhexyl) phthalate (DEHP)
Mercury	Dibutyl phthalate (BBP)
Lead	

Signed on behalf of OEP, part of the Carnhill Transformer Group,

Name: Chris Smith
 Position: Engineering Manager
 Date: 12 May 2015
